

## GET THE BEST FOR LESS.

You'll be hard pressed to find a more dependable, more practical pedicure spa than our Altera Spa. This affordable spa incorporates the fine sense of style, sophistication and performance for which European Touch is known, and offers the ideal solution for salons just starting out or expanding their capabilities by adding spa pedicure services for the first time. For these reasons, it's no wonder the Altera Spa has become one of the most popular spas in the industry for economy, reliability and efficiency. Available with a choice of European Touch's patented Crystal Clean Pipe-Free technology which provides an invigorating water massage for the entire foot, or our traditional piped foot bath with two adjustable jets. And your clients will love our seat-back massage options with your choice of traditional vibration massage or roller massage with vibration. For those demanding the best for less, our Altera Spa simply can't be beat.

*Altera Spa shown in White Granite base,  
Black roller massage cushion,  
and Canyon Black trim.*

The comfortable footrest can be adjusted in three positions, while the convenient hand sprayer makes rinsing out the basin easy.

Optional side trays act as a table for client conveniences and manicure services.

An electronic remote unit allows fingertip control of the seat's vibration massage settings.

**Cleaning Made Simple**

Our self-contained Crystal Clean Pipe-Free technology provides clients with a relaxing water massage, while allowing all components that come in contact with water to be seen, touched, and easily cleaned. (See page 14 for more information.)

The optional roller massage cushion encompasses built-in massage rollers and vibration motor for the ultimate in client comfort. (The Altera Roller Massage Cushion is available in Black).

Choose the standard vibration massage back or upgrade to the roller and vibration massage back.

Both armrests open to provide easy access into the chair.

Manual controls allows client to recline and slide the chair.

*The Altera Spa comes standard with traditional piped whirlpool-style foot bath, featuring a quality pump motor and two multi-directional jets. Crystal Clean Pipe-Free technology is available as an upgrade.*

**Altera Spa Color Palette** The Altera pedicure spa comes in a palette of 60 color combinations, allowing you to customize your chair to your salon's décor and environment. Additionally, replacement cushions and laminate trim are available should you desire different colors in the future. Check our website for the latest colors available.
