

# the *Pedi-Lounger™* from Living Earth Crafts

## *Multi-Purpose Pedicure and Facial Chair*

The Living Earth Crafts **Pedi-Lounger™** is a luxurious pedicure lounge designed to truly accommodate clients of all heights. The Pedi-Lounger features a fully articulating, multi-sectioned salon top that optimally positions clients for pedicures, manicures, facials and more with a simple touch of a button. The retractable foot section ensures the ideal distance of the pedicure bowl for client pedicures. Able to achieve **zero gravity** positioning, our lounge is upholstered with a new 5-layer Strata™ Plus Cushioning System and wrapped in buttery **Natursoft™** Upholstery. Add **Pivot-Perfect™** Armrests with built in manicure bowls together with the stylish hardwood finished frame, and you have the most comfortable, functional and stylish Pedicure unit available today. Available with a custom matching Sanijet™ roll-up footbath, or a manual copper or resin pedicure bowl.

### **Zero Gravity Comfort**

The Pedi-Lounger adjusts to zero gravity, 5° facial, or upright positions at the touch of the ergonomic hand control.

### **Multi-Purpose Functionality**

Offer pedicures, manicures, facials, medi-spa treatments, all from one ultra comfortable chair.

### **Flexible and Cost Effective**

Compatible with either electric pipeless footbath technology or more traditional pedicure bowl options.
