

Portable Massage Tables

The Horizon™ is our top of the line portable table. It's the professional's choice, loaded with features like rounded corners, the Shiatsu cable release (which lets you lay the table flat for floor work), and Reiki end panels for convenient leg and knee room during close seated work. It is luxuriously upholstered with three inch, three layer, Deluxe Salon cushioning system. No matter what type of work you do, if you want the best, then the Horizon is the table for you.

The Horizon™ Tilt features a 5-stop position back tilt for seated therapies. Also lays flat for standard massage. Square corners. Available in 30 width. 73" or 79" length.

Specifications

- Horizon Width: 28", 30" or 32"
- Tilt Width: 30"
- Pregnancy Width: 30" or 32"
- Length: 73"
- Tilt Length: 73" or 79"
- Working Weight: 550 lbs
- Weight: 33 lbs (28" width)
- Height: 24" - 36"

The Horizon™ Pregnancy Table accommodates women in the early stages of pregnancy. The single cutout accommodates for both the breast and the stomach area. When the pregnancy option is not needed, insert the cushion for standard massage treatments. Available in 30 and 32 inch widths. 73" length.

Arm Outriggers™

Designed to support clients' arms on narrow tables. Adds 10" to width.

Armcradle™

Provides greater shoulder access while supporting client's arms.

Flex-Rest™

The Flex-Rest's base has patent pending elastomeric connective tissue, which flexes under pressure. Combined with its **Form-fit™** memory cushion, the **Flex-Rest** molds itself perfectly to all face shapes and sizes. Perfect for portables.

LIVING EARTH CRAFTS®

The Phoenix™ is our most popular portable table known for its exceptional strength, light weight and ability to travel. It is the workhorse of LEC's portable massage table line, built to last a lifetime. It is luxuriously upholstered with 2 1/2" of the best multi-density cushioning system available. The Phoenix is built to withstand the rigors of day to day work of professional massage therapists.
