

the Serenity™

Multi-purpose hydraulic spa treatment table

The versatile Serenity offers limitless possibilities at an incredible value. Customize to provide massage, facials, manicures, and more – the Serenity delivers elegance, comfort, and reliability while pampering the spa guest. This workhorse table features the strong and reliable Quietech™ hydraulics that lift and lower effortlessly using the heavy duty foot control. Choose from a variety of luxurious tops. The optional, articulating Salon and Facial tops are equipped with PowerAssist™ Pneumatic One Touch Levers which enable infinite adjustments while the client is on the table! Its ease of use makes the Serenity the obvious choice for today's busy spas.

Shown with optional Salon Top, Shelf, Salon Headrest, Flex Arms, and Neck Roll

Quietech™ Electric Hydraulic Lift System - smooth, quiet and reliable.

Luxurious 3 1/2" 3-Layer Deluxe Salon Cushioning with buttery soft, yet eco-friendly Natursoft™ upholstery - the definition of comfort and luxury.

Customize Your Table - select from three luxurious tops and alternate bases to create the perfect table.
