

### Cushioning Systems

Living Earth Crafts utilizes the finest quality, eco-friendly materials and processes in the creation of the most comfortable, durable cushioning systems available.

#### Strata™ 4" Memory Foam Cushioning System

LEC's proprietary four-layer cushioning system combines visco-elastic memory foam, multi-density CFC-free foams, and a specially formulated bounce back layer for the ultimate in comfort.

#### 3 ½" Deluxe Salon Cushioning System

A luxurious three-layer, multi-density cushioning system, which combines a high density base with a generous weight absorbing mid-layer, topped with a soft, comfortable wrap.

#### 3" Salon Cushioning System

High performance 3", three-layer, multi-density cushioning system is crafted with a combination of low, medium and high density CFC-free foams for comfort and durability.

### Stains

Explore the color, beauty and experience of personalizing your table to match your spa décor. By combining one of 21 stain or lacquer options with one of over 25 options in vinyl, your table goes beyond being an essential piece of equipment, it becomes part of your design and vision. Get inspired!
