

Aromatherm Capsule 4-In-1

ADVANCED MULTI-FUNCTION TECHNOLOGY WITH CHROMOTHERAPY

Transport your spa into the future of optimum multi-service care with advanced technology. Cosmopro's Aromatherm Capsule 4-in-1 multi-functions include: hydrotherapy tub, wet table, Vichy shower and steam. Fully electronic programming, noiseless technology, and color chromotherapy all serve to enhance the client's overall treatment experience. This capsule's electronic self-disinfecting system safeguards your business, while its convenient size easily accommodates within the most space-restricted environment.
