

The Empress

Ideal for medical spas, day spas and the aesthetician.

The Empress chair is an economical multifunctional spa table – the ultimate in contemporary elegance with an ergonomic design.

The Empress features a unique array of adjustable options. Reclined, it is perfect for spa and light massage; as a chair, perfect for medi-therapies and pedicures. Its unique reclining action is perfect for new innovative therapies. Four quiet electric motors lift and tilt leg and back sections. The base unit is engineered to work with a stand-alone pedicure unit.
