

## Convert any Hotel Room into a Spa Treatment Room!

### Introducing the Loafah Davenport

The Loafah is both an attractive, comfortable chaise and spa/massage treatment table. A simple push of a button effortlessly converts the Loafah from a comfortable full length chaise into an adjustable height spa/massage treatment table, complete with adjustable headrest. This revolutionary new design now makes it practical to convert any hotel room into a spa suite.

- Comfortable for lounging, reading or watching TV
- Converts into a massage/spa treatment table with adjustable headrest
- Easy, push button, motorized height adjustment and conversion
- Height range 17" to 33"
- Seat/Massage Top 30" x 70.5", Total length 77"
- Upholstery, COM fabric or soft PU vinyl
